

Dance Plus Picture Day 2023

Dancers arrive and be fully prepared at least **fifteen (15) minutes before** your scheduled Group Picture Time. Dancers should be dressed and fully ready with costumes, accessories, hair, tights, shoes and makeup complete (refer to the Accessory List for guidance). For younger classes **Group Photos** will be taken prior to any individual or sibling shots. Dancers with additional group dances will be first to have individual photos taken in order to allow time for costume changes. Studio A will be available for costume changes. **REMINDER: PARENTS/GUARDIANS ARE NOT PERMITTED IN THE STUDIO DURING PICTURE DAY AND NO PHOTOGRAPHS ARE ALLOWED WHILE the DANCERS ARE ON THE PHOTOGRAPHER'S BACKDROP.** Picture Day can be a long and challenging day for dancers in multiple classes so come prepared with water and snacks. Just do not bring anything that can stain your costumes
