

Other Items for your DPPT Caboodle

The following is a list of other items we recommend that you include in your caboodle.* Each caboodle is a personal thing, these are recommendations that we have found are most often used, but you should absolutely think about other items you may personally need (e.g. contact lens solution, rescue inhalers, Invisalign container, etc.)

- Nail polish remover – REQUIRED
- Hair spray
- Hair gel
- Bobby pins
- Hair ties
- Donut bun maker
- Hair nets
- False eyelash glue
- Mirror
- Make-up remover wipes
- Team jewelry
- Cotton balls
- Q-tips
- Personal hygiene items (deodorant, feminine products, etc.)
- Band-aids
- Liquid bandages
- First aid items
- Foot spray, toe pads, lambs wool, athletic tape and underwrap for tears in feet
- First aid tape
- Knee pads
- Safety pins
- Double stick fashion tape, or body adhesive glue
- Sewing kit
- Ziploc bags (great for organizing and storing all those little items)
- Sharpie

Team jewelry is sometimes required for competition dances. Once the costume and accessories list is available, required items may be purchased from the front desk. Available items are:

- Necklace - \$18
- Barrette - \$10
- Earrings - \$10

The costumes and accessories list will be prepared and published close to the first competition weekend. Be on the lookout, as it will include details for each dance, including hairstyle, tights, shoes, jewelry, etc. Required shoes and tights must be worn and can be purchased at any dance supply store or online at sites such as discountdancesupply.com. We recommend having a spare pair on hand.

Though not required, many Team members use a *Dream Duffel* to pack and transport all necessary competition items. It is large enough to hold your caboodle, costumes, water, snacks, etc. This is a convenient place to keep everything so that it is easy to find and close at hand. Many sizes include a garment rack that can be raised to hang costumes, which make “quick changes” easier. Information can be found at dreamduffel.com

If costume alterations are necessary, please inquire at the front desk. We have contact information and pricing available.

* Most of these items, including the caboodle, are available at Harmon Discount Cosmetics in Shrewsbury across from The Grove.
