

## Dance Plus Picture Day 2023

Please arrive and be fully prepared for photos at least 10 minutes ahead of scheduled Group Picture Time. Dancer should be dressed and fully ready with all accessories, and hair and makeup complete. (Please check the Accessory List)

For younger classes, at Group Picture Time, group photo will be taken first, followed immediately by individual and sibling photos. Dancers with additional group dances will be first to have individual photos taken in order to allow time for costume changes. Studio B will be available for costume changes. For classes ages 10+, only the group photo will be taken at Group Picture Time. Individual photos will be taken starting at 5:25pm.

**Reminder, parents/guardians are not allowed inside the studio during picture day, and no pictures are allowed inside the studio.**

We understand that for dancers in many groups, this may be a long day, so please come prepared with water and snacks, and makeup and hair supplies for any necessary touch ups.

| GROUP PICTURE TIME | TEACHER      | DANCE TITLE                             | CLASS DAY/TIME          |
